

# Perspectives on land contamination

**Wednesday 29 March 2017**

The Geological Society, Burlington House, London, W1J 0BG

Join us in the 'Year of Risk' as we launch the Geological Society's new specialist group focussed on contaminated land. This **free** event will summarise the history of the land contamination sector and highlight the risks and opportunities we're facing.

## Presenting:

- Malcom Brown, President of the Geological Society
- Jane Dottridge (Mott MacDonald)
- Seamus Lefroy-Brooks (LBH WEMBLEY Engineering)
- Professor Paul Nathanail (Nottingham University)
- Ann Barker (City of Bradford MDC)
- Dr Mark Cave (British Geological Survey)
- Katherine Hunt (Jacobs)

The event will commence at 1:30pm and end at 5pm with an opportunity to network afterwards in the Lower Library.

## How to register:

To secure your place at this event email Sarah Hey: [slh@ivyhousenv.co.uk](mailto:slh@ivyhousenv.co.uk)

## Sponsorship opportunities

We have sponsorship opportunities available at this event.
